

# Debris dumped on Yamuna floodplains and riverbed, NGT asks pollution body to file report

## MM BUREAU

New Delhi/July 28  
The National Green Tribunal (NGT)-appointed Yamuna Monitoring Committee has asked the Delhi Pollution Control Committee (DPCC) to submit a report on the dumping of waste, including material used for manufacturing face masks, and construction debris at two sites on the Yamuna floodplains that could be "constricting" the flow of the river.

The waste has been dumped underneath the Signature Bridge and the Sarai Kale Khan flyover. NGT asked for the report after an NGO, South Asian Network on Dams, Rivers and People (SANDRP), posted pictures and videos of the dump on the floodplains.

As per an NGT order of 2015, any kind of dumping

the floodplains, some of which has topped into the river bed underneath the Sarai Kale Khan flyover. There is so much debris that an active river channel is now disconnected from the main river. The debris was dumped recently

by government agencies, which have been engaged in construction activity around the river," said Bhim Singh Rawat of SANDRP.

He added that the situation regarding bridges on Yamuna river in Delhi

is alarming as so far 25 road bridges, including three borages-cum-bridges, four Metro-bridges and two railway bridges have come up on the river while the debris has continuously been dumped on the floodplains. It

is cleared after much effort and resurfaces with every new construction.

BS Sajwan said it has ordered an inspection and a detailed report is awaited. "We have asked DPCC to examine the issue in detail and submit a report to us," a member of the committee said.

Earlier this year also, debris had been dumped underneath the Nizamuddin Bridge and the committee had asked the Delhi Development Authority (DDA), which is the primary custodian of the floodplains to clear the floodplains of the debris. "DDA is responsible for preventing any kind of dumping on the floodplains. They had earlier told us that CCTV cameras have been installed and security personnel deployed to prevent such violations," the member said.

The DDA spokesperson did not respond to request for comment.

In April 2019, the NGT committee had questioned

the public works department (PWD), the Delhi Tourism department and Transport Development Corporate Ltd (TTCDC), the government agencies responsible for the construction and management of the Signature Bridge, about the dumping of construction debris into the river, affecting its flow. The agencies were also fined for the violations.

Manoj Misra, the convener of the Yamuna Jiye Abhiyan, said that dumping of construction debris has been continuing unabated despite NGT orders and needs to be stopped immediately to save the river. "Unfortunately, government agencies have been dumping debris on the floodplains and again, which is capable of altering the flow of the river. NGT must take a strong view in the matter and ensure dumping is prevented at any cost."

# Delhi Govt has taken adequate steps to handle Covid-19 cases, says Delhi HC

## MM BUREAU

New Delhi/July 28  
The Delhi High Court Monday said the AAP government has taken adequate steps like increasing the number of ambulances, augmenting the capacity of helpline, ramping up testing facilities and creating plasma banks to handle the Covid-19 cases in the national capital.

A bench of Chief Justice D N Patel and Justice Prateek Jaisan said that in view of the steps taken by the Delhi government it was not going to further monitor the PIL initiated by the high court to assess the preparedness of the authorities here to handle the rising Covid-19 cases now and during the coming days.

The bench directed the

Delhi government to ensure that the official orders and directions issued by it and the court with regard to real time update of data of availability of beds and ventilators as also conducting tests to be followed by the hospitals.

It also directed that the ambulance services, for Covid and non-Covid patients, and the helpline should continue to operate and the nodal officers appointed by the Delhi government in its hospitals should keep in mind the difficulties of the people.

With these observations and directions the court disposed of the PIL initiated by it, on the basis of a video clip of a man who had to run from pillar to post to get his mother hospitalised after she

up two plasma banks.

The affidavit said that more lines were added to its helpline numbers, the number of ambulances were increased to 602 from 334 earlier, the Delhi government procured more than 11 lakh rapid antigen test kits and has a buffer of \$2.27 lakh test kits and its offering free cost testing at all government hospitals and dispensaries.

Of the 602 ambulances, 273 are for Covid patients and 294 for non-Covid, the affidavit said.

The Delhi government has also said it has capped the price of RT-PCR test at Rs 2,400, including taxes, rapid testing cost has been capped at Rs 450 and private labs have been asked to not refuse

home collection of samples.

It also told the court that all hospitals have been directed to update data, regarding bed availability, on the Delhi corona mobile app and their website and nodal officers have been appointed to mitigate any difficulty faced by the public at large."

It also told the bench that two plasma banks at - Lok Nayak Hospital and Institute of Liver and Biliary Sciences - have been set up and people who have recovered from Covid-19 have been requested to donate plasma 28 days after their recovery.

It also told the bench that convalescent plasma (COPLA) therapy was being provided free of cost.

# Delhi riots: High Court allows two petitioners to withdraw pleas

## MM BUREAU

New Delhi/July 28  
The Delhi High Court, while hearing several petitions related to the northeast Delhi violence in February this year, on Monday allowed two petitioners to withdraw their pleas with the liberty to approach trial courts.

A bench of Chief Justice D N Patel and Justice Prateek Jaisan allowed petitioners Harsh Mandar and Brinda Karat, who were represented by senior lawyer Kapil Sibal and advocate Aditi Pujari respectively, to withdraw their petitions.

The petitioners, who withdrew their petition, had sought registration of PILs under provisions of the Code of Criminal Procedure (CrPc) in the northeast Delhi violence matter.

The High Court also adjourned the matter for next Monday noting that some of the rejoinders and counter-

affidavits were not on-record.

The court, while granting the submission in the matter, showed displeasure with one of the petitioners - Ajay Gautam - and said, "don't make political speeches here in court". Gautam while making his submissions had said that one community intentionally making attempts to destabilise the peace of the country.

without any fear or favour as a result of which violence could be continued in few days and to a limited area.

"Speeches of political leaders including Sonia Gandhi, Rahul Gandhi, Priyanka Gandhi, Anurag Thakur, Kapil Mishra, Pravech Verma, Waris Pathan, and others are being examined by the Delhi Police and necessary action in this regard will be taken in due course of time if it is found on the evidence that their speech had any nexus with the riots," the affidavit said.

In the affidavit, the Delhi Police said that the petitions raising questions on the investigation is nothing but a blatant and brazen misuse of the public interest litigation.

Around 53 people lost their lives in the violence that erupted in northeast Delhi after clashes erupted between two opposing factions over the Citizenship Amendment Act (CAA).

# IMD predicts 'heavy rain', warns of water-logging, jams in Delhi

## MM BUREAU

New Delhi/July 28  
The Regional Meteorological Centre, Delhi, has issued heavy rain warning for Delhi on July 29 and 30 when disruption of traffic and water logging is likely.

The forecast says Delhi NCR is likely to experience moderate category rain with a few heavy spells (over 65 mm) during the evening on July 29 and 30.

Disruption of traffic, flooding on major roads, water-logging and disruption of municipal services like water and power is likely.

"Currently the monsoon trough (line of low pressure) is running close to the Himalayan foothills. From July 28 evening monsoon trough will shift southwards and continue to pass very close to Delhi-NCR. During this period, southwesterly winds from Arabian Sea and easterly winds from Bay of

# Kejriwal launches job portal to help boost Delhi's economy

## MM BUREAU

New Delhi/July 28  
In a bid to revive Delhi's economy, hit by the three-month nationwide Covid-19 lockdown, chief minister Arvind Kejriwal on Monday launched a job portal named 'Rozgar Bazar' and allowed all street vendors and hawkers in the city to resume their businesses. Addressing a digital press briefing Kejriwal said the web portal will bridge the gap between job-seekers and employers and help boost the economy from the impact of the lockdown. "The people of Delhi have successfully fought Corona in the last three months. Now we have to move to the next stage, which is the economy. In this pandemic, many have lost their jobs, shops, other businesses, and factories were shut down. Many suffered from hunger. Even though the government arranged for their food during the lockdown, people need jobs. Businesses, shops and factories want to reopen, but they are not getting adequate workers. This is where our new web portal will help," he said. The chief minister said hawkers and street vendors will now be allowed to operate.

# Gang that cheated people by promising to arrange large loans busted

## MM BUREAU

New Delhi/July 28  
The Delhi Police on Monday said they had busted a gang of cheats who posed as high-profile persons with links to senior politicians, and cheated businessmen and professionals in the guise of helping them get large loans.

Five men, including the gang's kingly and an assistant employee of the All India Congress Committee's (AICC) headquarters in central Delhi, have been arrested for cheating a businessman and a doctor of ₹10 lakh after offering to help them secure loans amounting to ₹50 crore and ₹25 crore respectively, senior police officers associated with the operation said.

The racket's mastermind Ritesh Tiwari impersonated a highly placed government servant and claimed to have access to the personal secretary to the Union home minister, the deputy commissioner of police (crime)

Rajesh Deo said.

"Tiwari deceived his potential targets by showing off his lavish lifestyle. He would call them to a farmhouse in south Delhi, which he had rented, and pretend that some high-risk category VVIPs stay there. Apart from parking high-end cars, the men had employed bodyguards. He would travel in a convoy with two Gypsies as pilot and escort vehicles for his Fortuner SUV," said DCP Deo.

The police said that Tiwari would pay ₹5 lakh per month as rent for the farmhouse and ₹1,200 to each bodyguard per day. The vehicles parked in the farmhouse were rented, they said.

The other arrested members of the gang were identified as Ajay Jain, 50, Bhim Pandit, 54, whom the police claimed worked at the AICC headquarters, Bhaskar Nath, 25, and Aman Kashyap, 53, whose father

had also worked in the AICC office for sometime a few years ago. Pandit allegedly helped the other members of the gang access the AICC headquarters. The Fortuner, two Gypsies, and mobile phones used in the crime were seized by the crime branch team, the police said.

When contacted regarding the arrest of Bhim Pandit, Manish Chhatrath, secretary, AICC, said, "The person concerned is not employed at the AICC office. However, I will verify this once again on Tuesday."

DCP Deo said that two separate cheating and forgery cases were registered on the complaints of two persons who were cheated of ₹30 lakh by the gang members. During the probe, the DCP said, the suspects were identified and their modus operandi unearthed. The key players - Ritesh Tiwari and Ajay Jain - would look for potential victims who needed large loans and meet them at

Bengal will reach Haryana, Delhi NCR, west UP and north east Rajasthan. Under the influence of these systems heavy to very heavy rain will occur in these areas," said Kuldeep Shrivastava, head, regional weather forecasting centre.

they were highly connected and would get their work done easily. The victims were called to the farmhouse where they
